Gareth or anyone else please help this young man avoid the hole he put himself in

what is the matter with you people

read what he said and go read what he thought I said

they are very very different

I do not have time to sue some 22 year old with more mouth than brains but he has placed me in an awkward position and caused this himself because of his lack of arguing skills obviously

why are you afraid to just apologize son?

or show your proof !!!!!
