Of course!!!!!!!!!!!!

At least you can read and thank you for not seeing what dave and may saw

Do you except that the "someone" mentioned is not me?

I ask that you stop taking only one or two lines though as even the bible will say thou shall kill if we leave out a word like you are doing with my post....it is the whole thing together that must be viewed

and yes it should have looked this way if we were not just chatting among ourselves about all the video topics at that time

It was not writing to the queen or anything you know?

hey i heard some guy in Australia knows someone who says """"""he had something to do with your governments complicated attack on your shoddily built Jewish world bank headquarters. you know "the 2 towers" (who has the ring i wonder)better invade there too eh,,oh no oil? """"""

Do you know how many times I have woken up in a sweat because I forgot quotation marks??????????????????

The point of my post was about LEAP and about the hypocrisy we all had just watched in the 911 videos

I am first generation Ukrainian  
almost my whole family was killed in the Holodomor  
THE UKRAINIAN HOLOCAUST !!!  
It was eat your dead relatives or be shot by the russians

7 million killed in 18 months with many many more millions over 7 years added as well

the russians were a superpower so no stories about it ever arose and thank god that is finally changing

<http://www.thestar.com/News/Canada/article/616698>

my whole point was about the stupidity and hypocrisy of police hiding behind "THE LAW IS THE LAW"

Like hitlers boys stupid excuses !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

In court may said I just wrote it wrong and I meant "I" in it...hahahhahahaha

She did admit and so did every other witness that these were not my comments

THINK ABOUT THAT ONE AS I NOW HAVE TO SUE ANOTHER GREEN BECAUSE MY GRANDDAUGHTERS WHO GOOGLE ME ALL THE TIME WILL SEE SOMEONE ELSE CALLING US ANTISEMITIC

Do you all realize I was originally targeted in saskatoon in 1991 because I rose up against abusive police before the "Stonechild" case to stop them from leaving canadian natives out of town to freeze to death as they tried to get back to the city in 30 below zero temperatures?

They framed me with 8 grams of cannabis with a guy who broke into 70 homes ( he was rewarded with no charges a move and a job in ONT)and I was bankrupted ruined and jailed there by not seeing my children for two years?

Lots more to the story...there is.... but please remeber this important fact

THE GREENS THROUGH BEN WEST AND THE 24HOUR NEWSPAPER HAD ALREADY CLEARED ME OF THAT QUOTE IN 2007 AND IT WAS ONLY USED AS AN INSTRUMENT OF CONVENIENCE FOR may SEPT 4 2008 !!!!!!!!!!!!!

Thank you for looking Eric !!!!!!!!!!!!!!!

Hi John,

The above seems to be the paragraph that caused the controversy.

Which is your commentary and which is the statement you claim is repeating something you heard from a guy in Australia?

Do you accept at least that the Australian person who made the statement about a "shoddily built Jewish world bank headquarters" is an anti-semite?

Regards, Eric
