They are of course yes

sadly what none of you realize is that my mom was canada's first LICENSED FEMALE BAILIFF she was pretty proud and had even worked to get women the vote

she raised 5 kids herself with the motto.... the creed.... THE RULE !!!!

that if your word was worthless SO WERE YOU !!!!!!!!!!!!!!!

I know what lies do to people psychology because I study that subject and have for 30 years

as a bailiff you need to be totally honest

My word and my name are all I really have and I will be dammed if some punk or fool will use either for their own advancement maliciously

I just filed documents that in time will have dave bagler served in ottawa or sue saint marie to be sued and yet not one of you others could just tell him what an ass he was to call me an antisemite if he did not even know what I had said

and that he should just apologize

You guys think this is a JOKE !!!!!!!!!!!!!!!?????????????????

I will tell all of you that when I went to see the green party after the last election as dan grice had said they would deal with it all after that the election and help me deal with the 6000 I owed to printers etc

I was then berated by paul george adriane carrs husband and went ballistic and resolved to do what ever it takes to fight

yes....as he looked at me after my speech I gave about clearing my previously very good name

he said ""YOU ARE MAKING A MOUNTAIN OUT OF A MOLEHILL"

well I hope some of you get me but none of you will ever stop me nor better me in a fair fight because of what my mom taught me

you should also know I will always do what is right and never hurt anyone except in defense

what is wrong with some of you?

do none of you not see what I have been exposed to?

what my family has been subjected to

how much e may's and mcdonalds idle pandering stupidity has cost us???

I have video of ben west the bc rep telling me he talked to emay and maybe did not make everything clear to her when the greens cleared me in may 2007 for the same stupid quote !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! because she herself was being

attacked by the same paper for antisemitism

they held that in their bag of tricks till they thought I had been used up and given all the members that I could

then they destroyed us and left me for dead

they obviously stupidly had no respect for how much I do fight and again thats their problem as we see and will soon see more of and yes also now daves

newton north delta green CEO and candidate  
john shavluk

the guy who does what he says he will do !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Gee, I hope you brought this up in court, too. They need to know about Harper making your computers go backwards Polish and someone controlling your phone and Internet. I'm not quite sure from your post if the phone/internet controllers were Harper or the police. Or the Green Party. Whichever, that should be in your sworn testimony.
